Wow! How many legends can you spot in this line-up?

The Rockestra line up featured Paul McCartney, Wings, David Gilmour, Hank Marvin, Pete Townshend, Kenny Jones, John Bonham, John Paul Jones, Ray Cooper and more. How often do you get a Beatle, Led Zeppelin, The Who and Pink Floyd together? Recorded in October 1978, which was a month after the death of Keith Moon, this song was released on the last studio Wings album Back To The Egg in 1979. It was also played live at the Concerts for the People of Kampuchea, which was a series of concerts featuring Queen, The Clash, The Pretenders, The Who, Elvis Costello, Wings, and many more artists. This took place at the Hammersmith Odeon in London, England during December 1979 to raise money for the victims of war-torn Cambodia and was the last live show from Wings. Refer to the related posts section below to check out this live account in London.
