The show has been spectacular. Great thing to see 7,000 people in the rain for Yes. A beautiful location, and perfect sound. They sung and played excellently for over two hours. Setlist has also been very good, with their best successes and some songs they've never played in previous tour. Unbelievable that Jon can sing with a voice that is still the same after all these years. A great success and one of the best shows I've ever seen in my life. ---Alessandro, forgotten-yesterdays.com
