Danny Louis - keyboards, guitar, vocals

On October 31, 2009, Gov't Mule gave a special Halloween concert at the Tower Theater in Philadelphia. Following in the tradition of 2007's Holy Haunted House and last year's Pink Floyd spectacular, the band, once again, has something very special planned for the occasion. This third in their series of Halloween shows featured a first set, which lasted over two hours, and was comprised entirely of Rolling Stones covers.
