The Byrds were a popular American rock band formed in Los Angeles, California in 1964. They are considered one of the most important and influential bands of the 1960s.

Their music bridged the gaps between the socially and spiritually conscious folk music of Bob Dylan, the studio trickery of The Beach Boys, and the sardonic rock of The Beatles. Some of their trademark songs include pop versions of Bob Dylan's Mr. Tambourine Man and Pete Seeger's Turn! Turn! Turn! (To Everything There Is a Season), and the originals I'll Feel a Whole Lot Better, and Eight Miles High. Throughout their career they helped forge such subgenres as folk rock, raga rock, psychedelic rock, jangle pop, and – on their 1968 classic Sweetheart of the Rodeo – country rock inviting Gram Parsons on rhythm guitar.

The original and most successful lineup consisted of Chris Hillman, David Crosby, Michael Clarke, Roger McGuinn and Gene Clark. After several line-up changes (with lead singer/guitarist McGuinn as the only consistent member), they broke up in 1973.

In 1991 they were inducted into the Rock and Roll Hall of Fame, and several band members launched successful solo careers after leaving the group. The most successful was David Crosby who was inducted again for his work with Crosby, Stills & Nash. Other than The Beatles, the only artist with all members inducted twice are, Crosby, Stills, Nash & Young. ---last.fm

The Byrds - amerykańska grupa powstała w 1964 roku w Los Angeles. Na przestrzeni lat zespół wielokrotnie zmieniał członków aż do rozpadu w 1973 roku. Mimo stosunkowo krótkiego czasu działalności, według wielu, popularnością dorównywał takim grupom jak: The Beatles, The Rolling Stones czy The Beach Boys. Do dziś zespół jest uważany za jedną z najbardziej wpływowych grup lat 60-tych ubiegłego wieku. Muzyka tworzona przez The Byrds określana jest jako folk rock i psychodeliczny rock pomieszany z popem. Do dziś twórczość The Byrds stanowi inspirację dla wielu artystów. W 2004 roku magazyn The Rolling Stone opublikował ranking stu artystów wszech czasów umieszczając zespół The Byrds na 45 miejscu. ---eska.pl
