The Troggs - All The Hits (1991)

1 *Wild Thing* 2 *Love Is All Around* 3 *With A Girl Like You* 4 *I Can't Control Myself* 5
Strange Movies 6 *What You Doin' There* 7 *Maximum Overdrive* 8 *Walking The Dog* 9
Disco Kid 10 *Always Something There To Remind Me*

Beat merchants turning three chords into pure gold, the Troggs issued an impressive, hard-to-top string of singles from 1966 through 1973. They have been covered by everyone from Jimi Hendrix and the MC5 to Spiritualized, X and R.E.M, and along the way influenced countless garage bands and punk rockers. Some might call the Troggs style simplistic or even neanderthal, but is that such a bad thing? So turn up your speakers, do not relax, and for heavens sake avoid floating downstream. We give you, in all their glory, the Top 10 Troggs Songs. ---ultimateclassicrock.com
