In 2009 Cold Chisel made plans to record a new album and do a tour. Sadly, drummer Steve Prestwich passed away in early 2011, and it has been a long and winding journey to the release of the Chisel's first new album in 14 years. The record, titled No Plans will feature the work of the late drummer and also his one of his compositions with the tack "I Got Things To Do". The album will be launched at this year's Bluesfest, where Cold Chisel are headlining the Thursday night's line-up, and the band will then tour to Perth, Melbourne, and Sydney. ---
