Planet P Project – Steeltown (2013)

01. – *Onwards* (05:36) 02. - *On The Side Of The Angels* (05:32) 03. - *If There's a Way* (04:40) 04. – *Steeltown* (05:58) 05. - *The Lady Fair* (05:13) 06. - *Heavy Water* (04:05) 07. - *The Moon Is Down* (03:37) 08. - *Daddy's Girl* (04:08) 09. - *Sailor's Song* (04:07) Musicians: Tony Carey - vocals, guitars, bass, drums, piano, organ, synthesizers + Ronni Le Tekrø - acoustic 12- & 6 string, electric guitars, banjo & ukulele on 6 tracks Jimmy Durand - acoustic & electric guitars, drums & co-composed *Sailor's Song* & *The Lady Fair* Jostein Svarstad (Sarge)- electric guitar on "*The Moon Is Down*" & "*Heavy Water*" Valery Lunichkin - electric guitar on "*On The Side Of The Angels*" Karsten Krappert - drums Bolt – drums

"Steeltown" is a mix of Industrial - strenght, pounding tribal Mountain Music tempered with mystical ballads, inspired by the unyielding Vikiing Spirit. It has been decided - after 30 years - to blend the Tony Carey sound with the Planet P Sound and 'Tony Carey's Planet P Project' is both spooky and beautifull, spacey and rocky. --- newprogreleases.blogspot.com
