Sumerlin – Runaways (2014)

1. *Giants* 2. *At the End* 3. *Dead Destiny* 4. *Chameleon* 5. *Getting Lost* 6. *Sirens* 7. *Spaces Remaining* 8. *Exaggerate the Distance* 9. *Make Your Move* 10. *Iris* 11. *Before I Fall Apart* 12. *Urgency* Dan DiGiovanni -Vocals Logan Tudor - Guitar Chris Taylor - Bass, BGVs Joshua Mace - Drums

In the wake of swarming bands fighting for a musical footprint in a scene flooded with genres that mimic one another - SUMERLIN stands apart by blending the importance in being both culturally relevant and spiritually significant. These guys have so much to offer to everyone - with their heart for ministry, passion for live performance, and drive for musical entertainment.

Sumerlin's new material is a mix of power pop and ambience textured rock music. "Waiting on You" marries soaring vocals with crushing guitars and rippling guitar notes to create a tense dream effect. Their singer Dan DiGiovanni is a solid front man for the band's edgy but sweet tempered sound. This genre of pop-rock tends to be overly cute and simple but Sumerlin transcend it, making something that sounds larger with more emotional presence. DiGiovanni's coarse yet humble reaching vocals underscore the under-manicured sound from the band. ---
