SATISFIED DRIVE is a rock and roll band based out of Livingston, Texas. Formed in 2007 by Don May, Brandon Fowler, and Mark Vaughn, Satisfied Drive set out to put an edgier spin on the music of some of the greatest Classic Rock and Blues bands of all time! Satisfied Drive is Classic Rock with a Modern Drive!

As the band has evolved, so has their sound, to evoke the mood of soulful blues bands to a hard drivin' rock and roll band, to alternative and acoustic. While most of SD's set list revolves around Classic Rock and Blues bands, there are a few surprises thrown in here and there. SD has over 120 songs in their repertoire ranging from ZZ Top, SRV, Steve Miller, Alice in Chains, Pink Floyd, Paul Simon, Robin Trower, Jimi Hendrix, STP, The Beatles, Jim Croce, Eric Johnson and on and on and on...Oh yeah, they have their own kickass tunes as well! --- satisfieddrive.com
