Roger Waters – Is It The Fifth? (2010)

1. *Get Back To Radio* [4:43] 2. *Hello (I Love You)* [4:33] 3. *Lost Boys Calling* [5:39] 4. *To Kill The Child* [3:32] 5. *Leaving Beirut* [12:31] 6. *Going To Live In L.A.* [5:55] 7. *When The Wind Blows* [24:28] 8. *Molly's Song (Live)* [3:17]

Just a couple of days I obtained(also from ebay) a CD by Rogers Waters called "Is it the Fifth"(Universal Italy 0602527545330) featuring seven rare tracks(Get Back to Radio,Going to Live in L.A.,Molly's Song,Lost Boys Calling,To Kill the Child,Leaving Beirut and Hello(I love you)plus When the Wind blows(about 25 minutes long).

This CD ist not listed at amazon or anywhere else! Universal Italy shows Roger Waters in its artist list but not this particular title(only a rerelease of The Wall at Berlin 1990).The CD istself has all the correct markings a legit release has,so I assume this item was withdrawn shortly after its release. --- joachim50, forums.stevhoffman.tv
