The Nice - Little Arabella [04:17] Keith Emerson – organ, piano, vocals Keith "Lee" Jackson – bass, guitar, vocals David "Davy" O'List – guitar, vocals Brian "Blinky" Davison – drums, percussion

The NICE was the precursor to one of progs most influential bands - EMERSON, LAKE & PALMER. This band began their career at the dawning of rock and its sub genres, the closing of the sixties and an era of growing desires to challenge the boundaries of popular music. The four musicians branched out, utilizing and combining classical, jazz, blues and rock music to forge a new and dynamic sound - later to be known as Progressive Rock. The seeds were already sown for the Symphonic and Orchestral style of music that Keith EMERSON would champion throughout the decades to come. --- progarchives.com
