Bas Muys - Secret Songs Lennon & McCartney (1982)

01. Nobody I know 02. I'll keep you satisfied 03. From a window 04. Love of the loved 05. I don't want to see you again 06. Bad to me 07. One and one is two 08. Tip of my tongue 09. I'm in love 10. Like dreamers do 11. It's for you 12. Step inside love 13. Hello little girl

Stars on 45 was the brainchild of Jaap Eggermont, the Dutch record producer who was tasked with creating a legal, official version of "Lets Do It in the 80s" and in order to achieve this, he hired a series of session musicians and soundalikes including Bas Muys as the voice of John Lennon, Hans Vermeulen as George Harrison, and Okkie Hyusdens as Paul McCartney and a linking tag line for the project, "the Stars on 45 keep on turning in your mind" sung by Jody Piper.

The Secret Songs Lennon & McCartney is a solo project by Bas Muys with very rare songs from 63-64s.
