Studebaker John & The Hawks:

Studebaker John (vocals, slide guitar, harmonica),
Rick Kreher (guitar),
Ron Regnas (bass),
Bob Carter (drums).

Outside Lookin' In finds Studebaker John perfecting his overdriven, propulsive Chicago blues. His originals may not always be memorable, but they're ... Full Description sturdy vehicles for his hard-driving harmonica and gutsy guitar. Studebaker hasn't changed his style at all -- essentially, this is the same album he's delivered before, and he made several others like it afterward -- but this is the one that features his best playing. --- Thom Owens, Rovi
