Cash McCall – Cash Up Front (1988)

1 *Girlfriend, Woman, And Wife* 2 *My Heart Is Crying* 3 *Your Lovin' Don't Come Free* 4 *Doesn't Matter At All* 5 *Don't Change On Me* 6 *Mama Didn't Lie* 7 *You Were Talkin' In Your Sleep* 8 *It's My Turn* 9 *Slipped, Tripped* 10 *You Make The Sun Shine* Cash McCall – vocals, guitar Phil Upchurch – guitar Billy Mitchell, Richard Tee, Les McCann – piano Welton Gite, Nathan East, Kenny Wild – bass Stanley Behrens – harmonica Chuck E. Burke – drums

An excellent, varied blues and R&B album, it has ten original compositions. Top-notch session musicians give this the sheen of studio perfection rather than bar-band rawness. Yet McCall can still get down in the alley, as he does on the cheatin' story "Girlfriend, Women, and Wife." --- Niles J. Frantz, Rovi
