Italian bluesman David Drusian Motta is back with his new album. The album just released is titled "108 Blues Solos".

"This new work," 108 blues solos ", testifies to my passion for American music - explains Dursian - One hour and ten minutes of live recordings in clubs, rehearsal rooms, in the street and a listening guide of fifteen pages, tell the evolution of "my" blues. I tried to go down the Missississippi and I arrived in the nightclubs of Paris, accompanied by wonderful musicians." --- ebookdoor.org
