Swamp Land Boogie vol. 1 – From The Bayous of Louisiana (2000)

Side 1 1) *Sugar Bee* (Jay Stutes) 2) *Lonely Feeling* (Van Preston) 3) *Boogie In The Mud* (Danny James) 4) *Don't Drive Me Deeper* (Lee Bernard) 5) *Do Your Stuff* (Rockin' Sidney) 6) *Someone Else On Your Mind* (Van Preston) Side 2 1) *Crazy Cat* (Dell Mack) 2) *My Lonely Retreat* (Van Preston) 3) *Feel Delicious* (Rockin' Sidney) 4) *Tell Me Baby* (Lonnie Brooks (Guitar Jr.) 5) *Our Love Will Always Be* (Lee Bernard) 6) *Blues Train* (Danny James)

Some nice Cajun, Swamp Pop from the Goldband label. Rockin'Sydney, Lonnie Brooks, Dell Mack amongst others including the worst crap Ive ever heard from Danny James. Hear him "sing" Boogie In The Mud and wonder why they didn't bury him in the mud then and there and forget about him. OK, "Blues Train" has some good guitar work on it and no vocals. Danny must have been taking a piss when they taped it and he got the credit because he didn't ruin it. It seems Danny played guitar and it's a good track (Blues Train)... so Danny can't sing but plays a mean guitar and I take back what I said about him taking a piss. ---
