Edgar Winter - Shock Treatment (1974)

Edgar Winter - Shock Treatment (1974)

01. Some Kinda Animal (Dan Hartman) – 3:06 02. Easy Street (Dan Hartman) – 4:12 03. Sundown (Dan Hartman) – 3:25 04. Miracle Of Love (Edgar Winter, Dan Hartman) – 3:36 05. Do Like Me (Edgar Winter) – 4:47 06. Rock & Roll Woman (Dan Hartman) – 2:49 07. Someone Take My Heart Away (Edgar Winter) – 4:08 08. Queen Of My Dreams (Dan Hartman) – 2:15 09. Maybe Some Day You'll Call My Name (Dan Hartman) – 3:52 10. River's Risin' (Dan Hartman) – 3:19 11. Animal (Edgar Winter) – 4:53   - Edgar Winter - lead vocals (02,04,05,07,11), clavinet, piano, ARP bass, saxophone, mellotron, ARPs, vibraphone, organ, bass - Rick Derringer - guitars, electric sitar, bass, producer - Dan Hartman - lead vocals (01,03,06,08-10), rhythm guitar, bass, acoustic guitar, castanets, all guitars, autoharp - Chuck Ruff - drums

With this release, Edgar Winter was faced with the question that haunts many a superstar following a highly successful album -- how can he outdo himself? While Shock Treatment falls short of outdoing himself, it still manages to rock pretty righteously. Beginning with this album's answer to their previous "Hangin' Around," "Some Kinda Animal," the band moves into the excellent blues torcher "Easy Street," which is painted with highlights from the substantial saxophone talent of Winter, not to mention some of his finest singing. Like They Only Come Out at Night, this recording includes a pair of haunting ballads, "Maybe Someday You'll Call My Name" and "Someone Take My Heart Away." "Queen of My Dreams," along with "River's Risin'," showcase the Edgar Winter Group doing what they do best -- rocking out with passion and lots of drums and guitar. Not as good as their previous album, but still a winner in its own right. ---Michael B. Smith, AllMusic Review
