Led by Jeannette Sorrell, Apollo's Fire has been consistently recognized as one of the world's finest period-instrument orchestras, earning special attention for their "expressive subtlety, exuberance and passion" (Classical Music Magazine). Delight as these exceptional artists explore the full dramatic range of Handel and Vivaldi arias for the virtuoso castrato singers of the 18th century. A selection of fiery Vivaldi concertos rounds out an evening of glorious music. --- bostoniano.info
