

Tchaikovsky Pyotr

1. Swan Lake (2006)

Yulia Makhalina - Odette/Odile Igor Zelensky - Prince Siegfried Eldar Aliyev – Rothbar Yuri Fateyev - Court Jester Angelina Kashirina - Princess Regent Kirov Ballet Kirov Theatre Orchestra Viktor Fedotov - conductor Choreography by Marius Petipa And Lev Ivanov, in A Version By Konstantin Sergeyev.

This version of Swan Lake is definitely one of the best ones I've ever seen - and I've seen a lot! Yulia Makhalina is a fantastic technical dancer (if that's what you are looking for) and her extensions are unbelievable. The Corps de Ballet does what Kirov Corp de Ballet has always done best - dance in fantastic unison. The sets are beautiful as are the costumes. If you want to see a truly moving version of this ballet, this is the one to watch. --- Olga Goloschokin
