Double CD reissue. You Make Me Feel: The Ballads is the fifth compilation by the German hard rock band Bonfire. It is a greatest hits collection that was released by LZ Records in 2009, featuring a double CD set of all the best ballad songs by the band. The album also features a new version of "You Make Me Feel" as well as "Domo Arigato" that was on the Japanese version of The Räuber. Bonfire (originally known Cacumen) is a German heavy metal band, founded in Ingolstadt, Germany in 1972 by Hans Ziller. In 1986, based on the advice of the record company and the management, the band changed it's name to Bonfire. Hans Ziller is still in the band. ---Editorial Reviews
