If you love music that is "in the moment", PULSE is a must listen! If you have a chance to see/hear Jim Weider's Project Percolator live they WILL take your breath away. Here with Pulse, you can hear why. This is a diverse group of top notch musicians who together meld their talents into a cohesive, dynamic sound, which like the best music, will take you along for the journey. The talent in this band is prodigious! This is ensemble playing at it's finest.

Jim Weider and Mitch Stein on guitars, both encompass gorgeous tone, and play with both subtlety and fire as the songs evolve. Steve Lucas is a bass players bass player, the foundation sauce for this stew. You get Rodney Holmes on drums, one of the finest, most creative and powerful drummers on the scene today; he stirs the stew.

This is music that is both layered and accessible and as a group they create, together, music in which they very much communicate, as the grooves evolve. These are not songs as much as they are journeys! Pick up Pulse and go for the ride. I reckon you'll enjoy!!! --- J.K. Constantine, amazon.com
