The group was founded in 1974 and disbanded in 1976, has not received the recognition in his native Britain. In 1977, an attempt was made to revive the group but recorded several demos she had finally collapsed.

Mega-rare previously UNRELEASED recordings from the mid. 70's by this dark UK underground doom band. We are talking no-nonsense heavy duty SABBATH style occult rock by a group of drug-crazed muse's with a genuine interest in witchcraft and the black arts. A nice homely bunch to introduce to the vicar when he comes over for tea and fairy cakes on a Sunday afternoon. Probably the heaviest Audio Archives release to date, more potent than Dark and more doomy than Black Widow. Includes additional live material, full band history and magnificent medieval war-cry artwork.

These tracks (including five "live, drug-crazed rehearsal demos") were recorded between '74 and '77, but didn't see the light of day until 2002, compliments of the Audio Archives label. That particular label took it upon itself to market these recordings as "underground doom metal",

though compared to bands generally accepted as doom, even the tamer ones (SABBATH, TROUBLE), WARLORD bears a greater similarity to DEEP PURPLE. Regardless, it's an interesting piece of first-generation metal history, and should compliment the G.O.M.E. faithful's collections nicely. --- adamus67, [therockasteria.blogspot.com](http://therockasteria.blogspot.com)
